

# MTSS WORKSHOP

Fostering inclusive practices for the whole child.

**The Multi-Tiered Systems of Supports Workshop is a comprehensive professional development opportunity designed to:**

- Empower educators with the knowledge and tools to create inclusive learning environments
- Foster collaboration among Gen Ed & SPED teachers to meet the needs of the whole child

**Audience:**

Teachers, administrators, & academic coaches focused on developing inclusive strategies

**Special Promo:**

For every general education teacher that registers, school sites will be able to send a special education teacher free of cost. BOGO!
