Representing Region 8 for California PBIS, come join us at Kern County Superintendent of Schools (KCSOS) for 4.5 days of PBIS Tier I Implementation Team Training. This training is accompanied with the knowledge and resources that will allow your team to:

- Systematically implement PBIS Tier I principles
- Follow an action plan that is directly aligned with the Tiered Fidelity Inventory (TFI)
- Access to our PBIS Technical Assistance Coaches Network

Upon registration, our team will guide each site through exploration and readiness documents which will assure team members are identified and registered for the appropriate training.

For more information, please contact:

Crystal Gilbertson / (661) 636-4563 / crgilbertson@kern.org
