Applied Suicide Intervention Skills Training (ASIST) is a two-day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone may have thoughts of suicide and work with them to create a plan that will support their immediate safety.

Although ASIST is widely used by healthcare providers, participants don't need any formal training to attend the workshop—anyone 16 or older can learn and use the ASIST model.

Who should attend this training?

School Social Workers, School Counselors, School Psychologists, Mental Health professionals

Cost:

\$200 per person. Fee includes ASIST material kits and light snacks.

Lunch is on your own.

Location:

Will be sent upon registration
