## Empowering Youth

# HEALTHY RELATIONSHIPS TRAINING

You're invited to join the KCSOS Adolescent Sexual Health Educators for an enlightening training session on healthy relationships!

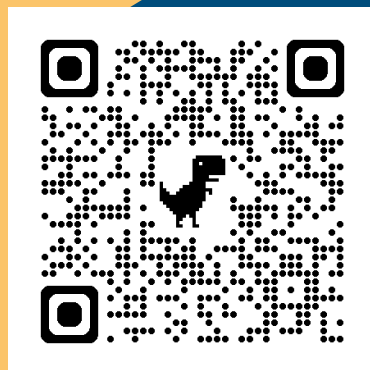

- Gain comprehensive insights into adolescent sexual health education.
- Collaborate with expert facilitators and fellow educators.
- Receive FREE lesson plans tailored to promote healthy relationships.
- Explore a wealth of community resources to collaborate with.

This vital training aims to equip school staff with the knowledge and skills needed for fostering healthy, positive, and safe relationships among students as required for districts by the California Healthy Youth Act (CHYA) Ed Code 51930-51939.

All 7-12 grade school  
staff welcomed!
