

STRATEGIES FOR ENGAGEMENT

A series for District Administrators, Site Administrators, Other Instructional Leaders, Teachers (general education and special education) presented by Zack Safi.

Teachers will learn various strategies for using technology to engage all students in grades 3-12 and facilitate inclusive classrooms. We examine some basic tools that can be utilized to differentiate and we explore how to synthesize multiple tools that can be utilized to engage all students.

\$250 Per Person
9:00 am - 3:00 pm
City Centre rm 1C
