

PBIS TIER 2

COHORT 2

Join Region 8 CA PBIS representatives for 4.5 days of Tier II implementation team training at KCSOS. This training is accompanied with the essential components necessary to scale up your existing Tier I structures to meet the needs of students needing additional support. During the training teams will be able to:

- Align a request for assistance form into Tier II services by identifying data decision rules
- Match interventions to student need
- Implement CICO to fidelity
- Follow a Tier II action plan that is directly aligned with the TFI

Upon registration, our team will guide each site through exploration and readiness documents which will assure team members are identified and registered for the appropriate training.

***Prerequisite:** For Proper scaling up, we strongly encourage a TFI score of 70% or higher for Tier I.

Cost: 6,000 per team
