JOIN US!

The California Healthy Youth Act (CHYA) Ed Code 51930-51939 requires districts to provide students with the knowledge and skills necessary to protect their reproductive health from HIV and other sexually transmitted infections (STIs).

The KCSOS Adolescent Sexual Health Education Team invites you to this informational training where you will learn about up-to-date sexually transmitted infection data in the county. We will also discuss strategies to address questions or concerns students may have regarding their sexual health.
