

PLC AT WORK

Join us for a 4-day professional learning opportunity designed specifically for school teams. Work together to build staff commitment and strengthen your school's capacity to create a thriving Professional Learning Community (PLC). This training will focus on the foundational principles of PLCs, building a guiding coalition, fostering a culture of collaboration, and developing a multi-tiered approach to teaching and learning.

Dr. Luis Cruz

Dr. Cruz is a highly sought out presenter from Solution Tree and is the former principal of Baldwin Park High School, located in East LA with an extensive background in working with teams.

The three big ideas of PLC at Work®

A FOCUS
ON LEARNING

A FOCUS ON COLLABORATIVE CULTURE
AND COLLECTIVE RESPONSIBILITY

A FOCUS ON RESULTS
ORIENTATION
