

Aggression Replacement Training Booster

Trainer:
Jose Quintero
Certified A.R.T. Trainer

January 24, 2025 • 8:00 a.m. to 12:00 p.m.

The Kern County Superintendent of Schools is offering a follow-up booster training for all new facilitators who were trained in the Aggression Replacement Training curriculum since 2020 by the Kern County Superintendent of Schools Office.

In controlled research studies, programs like Aggression Replacement Training, have been shown to be effective in increasing students' pro-social skills and decreasing behavioral problems but only if the program is conducted with FIDELITY — that is, as it was designed.

During this meeting, we will be talking about fidelity to the A.R.T. program — what fidelity looks like, how we measure it, and how we know we are maintaining it, so that we get the best possible outcomes for our program. A.R.T. materials will be provided to all facilitators that pre-register to attend.

Who should attend this training?

All A.R.T. trained facilitators who were trained by the Kern County Superintendent of Schools Office since 2020 and have facilitated a minimum of one ART group with students.

Cost:

The booster session costs were included in the training fees.

Check-in begins at 7:30 a.m. The A.R.T. Booster Training will begin at 8:00 a.m.

Location:

Will be sent upon registration
