

PLC AT WORK

Build a Stronger PLC Together!

Cohort 1

Join us for a 4-day professional learning series designed to inspire collaboration, build staff commitment, and strengthen your school's PLC practices. Work alongside your team and connect with educators across Kern County as you dive into:

- PLC foundational principles
- Building a guiding coalition
- Fostering a collaborative culture
- Developing a multi-tiered system of support

Empower your team to create the best learning experience for every student!
