

PLC for Alternative Settings

Designed for educators and leaders in continuation, independent study, and other nontraditional school settings, this session will help you:

- Implement effective PLC practices beyond the traditional school model
- Adapt RTI/MTSS systems to meet the unique needs of alternative settings
- Support site leaders in guiding and sustaining collaborative, student-centered practices

Walk away with practical strategies tailored to your context and tools to drive meaningful change!

2-DAY EVENT

**October 2nd &
February 3rd**

Time: 8:30am - 3:30pm

Cost: \$300

We encourage schools to register as teams to support meaningful collaboration and joint planning.

Presenter: Eddie Velez

Eddie Velez is the former principal at Kennedy High School in Fremont, California. He specializes in building leadership capacity, building PLC culture, implementing RTI, and coaching collaborative teams.

He has a genuine connection and care for every school he serves and is respected for his ability to meet schools "where they are" without compromising the end goal of creating equitable opportunities for all students.
