

# Developing Effective Student Success Teams (SSTs)

**September 10th and 17th (8:30 am-3:30 pm)**

Join us for a two-day professional learning series designed to help schools improve their SST meetings and outcomes. Gain practical strategies, tools, and dedicated team planning time to address the academic, behavioral, and social-emotional needs of all students.

## **Highlights:**

- Gain a clear understanding of the purpose and impact of SSTs
- Learn the essential steps for designing an effective SST process
- Clarify the roles and responsibilities of each team member
- Explore best practices to make your meetings more focused and impactful
- Engage in dedicated workshop time to revise and strengthen your current SST structures

## **Who Should Attend:**

SST Coordinators, Site & District Administrators, and school leadership teams  
(Teams are strongly encouraged to attend together for maximum impact.)

## **Facilitators:**

Candi Huizar, Executive Director, School District and Regional Support  
Estefany Ruiz, SELPA Program Specialist
