

CLIC NETWORK: CIVIC ENGAGEMENT FOR GRADES 4-6

Join the CLIC Network to explore how content, literacy, inquiry, and citizenship come together to support civic engagement in upper elementary grades. Learn how to guide students through civic action projects—individually, in whole-class settings, or by grade level—and prepare them for future recognition like cords and the State Seal of Civic Engagement. Designed for teachers, administrators, and instructional leaders looking to align curriculum with civic learning goals and share best practices.
