

## **CLIC NETWORK: CIVIC ENGAGEMENT FOR GRADES 10-12**

Focus on the State Seal of Civic Engagement and how to meet its requirements through meaningful civic learning experiences. Learn how to support students in completing civic action projects, building leadership skills, and earning recognition for their efforts. This network is for high school teachers, administrators, and instructional leaders committed to advancing civic engagement on campus and aligning instruction with the State Seal criteria and goals. Share strategies, resources, and best practices to grow a culture of active citizenship.
