

## **CLIC NETWORK: CIVIC ENGAGEMENT FOR GRADES 7–9**

Discover how to build a strong civic engagement pathway for middle school and early high school students through content, literacy, inquiry, and citizenship. Learn how to implement impactful civic action projects and prepare students to earn recognition, including cords and the State Seal of Civic Engagement. This network is for teachers, site and district administrators, and instructional leaders who want to align curriculum and share best practices that support student voice, inquiry, and civic readiness.
