## Free In-Person Community of Practice

### The Principal As Leader: Systems Thinking & Instructional Leadership

Join 21CSLA in The Principal As Leader-Systems Thinking and Instructional Leadership Community of Practice which is designed specifically for principals in the first three years of their tenure. This Academy will equip early career principals with the knowledge and tools to design and implement effective school wide systems and structures. By developing a systems thinking approach and refining instructional leadership practices, participants will be empowered to foster sustained academic growth and drive continuous school improvement.

**Facilitated by  
Mark Luque**

Chief Training and Advancement Officer  
KCSOS
